FROM : St/P/C

SUBJECT: Memorandum to SA/RR from 25X1A9a 7 June 60, 25X1X7  
subject: Contact with [REDACTED]

25X1A9a You requested comments. Here they are for what they are worth.  
[REDACTED] memo does not read like a proposal to me. Did your office  
agree to the transmittal of a sanitized copy [REDACTED]

25X1X7

25X1X7 25X1X7 [REDACTED] is furnished a copy of all ORR finished intelligence (economic  
and geographic) in his area of interest. In addition, whenever a document  
is releasable [REDACTED] he is sent an additional copy to transmit to [REDACTED]  
25X1X7 Is the [REDACTED] so set up that this copy could not be seen by [REDACTED]

25X1X7 The nature of [REDACTED] duties and his relations with [REDACTED] were  
discussed in this meeting--what are they? If [REDACTED] has desired an additional  
copy of any of our material, [REDACTED] has requested them in the past. This  
arrangement seems adequate to me, however, if you feel strongly about  
[REDACTED] having a personal copy it could be done.
